

PARTICIPATION

July 2010

Dear CCEA Member:

This summer brings new and exciting opportunities for us all. As we gear up for the 2010-2011 school year, we have once again teamed up with SJS Media to bring you one more benefit of membership — the “*Educators’ Business Guide*.”

This quarterly guide, first launched in the spring of 2006, has one primary goal: to bring you services and products you use in your every day lives. Through the ***Educators’ Business Guide*** you can obtain special discounts and offers available to CCEA members only from community business partners.

These are some of the offers in this edition:

- **Need to draft a will?** Cassidy Law Offices will do it for \$49! You can also prepare your living trust package and receive 50% discount.
- **Feel like having a treat?** Stop by Golden Spoon and receive 20% off your total purchase.
- **Looking to eat right?** Sweet Tomatoes offers an expansive selection of healthful choices and a discount of 15% of your bill.

We encourage you to enjoy the savings brought to you by your association—CCEA—simply by presenting your Access membership card to the businesses offering the discounts, special services & offers in this guide.

We value your continued support and membership—that’s what makes us stronger. Have a safe and fun summer!

Sincerely,

Ruben R. Murillo, Jr.

President
